GIRLS VOLLEYBALL TOURNAMENT BRACKET

QUALIFYING:

- **Best region record**
- **Ties are determined in the following order**
 - *Head to head competition
 - *Head to head vs. region teams in descending order
 - *Example: If 1st place tie, compare records of tied teams vs. 3rd, 4th, 5th, etc. until broken (lower tied teams are combined/break higher seeded ties first)
 - *If still tied and the tie determines a #1 or #2 seed in the region tournament, a playoff may be held. If it does not involve a seeded team, a coin flip will determine seeding.
- **Region champs will be determined by overall record and head to head competition if tied.**
 - *If still tied, they are declared co-region champs. Other tie breakers are for tournament purposes only.
